

Reading Vision Test in English

1

Can you read this? If you can, try the next line.

2

What about this line? Keep reading and see how far you can go

3

The print keeps getting smaller!

4

You are almost halfway down.

5

You probably don't read words this tiny very often.

6

Can you still read this?

7

What about this?

8

You are almost at the bottom...

9

Wow, you made it all the way down! You can see really well close up!
