

Vision Now!

Get a Vision test and custom fitted prescription eyeglasses for less than \$10

What we do!

- Free Vision Test
- Select the right frame arm length
- Adjust the frame arms and nose pieces to fit
- Find the right lens prescription for each eye
- Insert the proper lens for each eye into the frame
- You leave with new glasses in minutes for less than \$10 per pair in about 15 minutes

How can we do this so inexpensively?

- We buy huge quantities of a single universal frame
- We buy pre-prescribed lenses in huge quantities
