

Signed Eyeglasses Disclaimer

- I understand that the people doing the vision exam and glasses assembly are not responsible for any errors they may make as they are not trained professionals. I will try the glasses before leaving the assembly area to see that they are right in fit and power.
- I understand that these lenses cannot correct an Astigmatism, Glaucoma, Cataracts and Diabetes that I might have which renders our eyeglasses ineffective.
- I understand that these lenses may not be as precise for me as glasses provided by a licensed professional eye doctor.
- I understand that all parties connected with this eye team bare no responsibility for any conditions that might occur at a later date whether related to the eyeglasses provided today or not.
- I understand that it is my responsibility to seek appropriate medical advice for any vision problems I may now have or continue to experience after receiving these glasses.
